Selectmen's Meeting

WHARF DAMAGE

Wharf Commissioner Edward Alves conferred with the Board of Selectmen on the condition of the town wharves which Alves said are badly damaged and undermined by the January storms. Barstow Wharf adjacent to the town beach is riddled with holes in the asphalt surface and will be closed with barriers to protect the public from breaking through. Alves inquired about federal funds to help in the repair. The Selectmen said that Rep. Studds had been contacted and he said that Mattapoisett would have to be declared a disaster area before federal help would be available. The Selectmen discussed the way to proceed, then asked Mr. Alves to get together with Highway Surveyor Manuel Nunes to see what is necessary for the repair and prepare figures to present to the town meeting.

computer facilities at Old Colony Vocational-Technical High School. Using the computer system at the school, with key punch facilities in the Town Hall, Lombard said that it is apparent that a great saving could be realized by programing assessors' records and real estate tax bills. The Selectmen asked Tax Collector Allen Sherman for comment and he said that billing from his office alone presently costs about $1,800. Lombard had reported that the first year cost for both the tax collection office and assessors would be $2000. Mr. Sherman said that he had favored the change for the past six years and believed the town could save substantially. Lombard told Selectmen that Marion, Rochester and Middleboro are using the computers at the school with good results and that the school estimate was very inexpensive for this service.

The Selectmen asked Mr. Lombard to confer with the assessors to inform them of the costs and potential of the system and obtain their reaction and ideas.

WOOD STOVE INSPECTION REQUIRED

Building Inspector Jonathan DePina informed Selectmen that as of January 1, 1978 all wood stove installations require a building permit. Wood stoves, he said, can only be installed into a chimney lined

with a flue or which has an eight inch wall. Permits can be obtained on Tuesday evenings from 7 to 9 at Mattapoisett Town Hall. Mr. DePina asked Selectmen to approve a $5. fee for inspection of wood stove installation (one time) which was voted.

DENY REQUEST

The Selectmen denied a request by the Old Rochester Teacher's Club to use The Nest Pizza Pub for a potluck supper because that location has been closed by the Board to the serving of alcoholic beverages and to the offering of entertainment. The club had asked for a one-day all alcoholic beverage license.

BUS INCREASE ASKED

The Southeast Regional Transit Authority estimates that the subsidy required from Mattapoisett would rise from $2900 to $3500 for 1978. The Selectmen will study the matter further before making a decision.

NEW CHAIRMAN

Selectmen were notified by the Finance Committee that Eleanor Contant has been elected chairman and Michael J. O'Brien clerk.

MATTAPOISETT LIONS CLUB PRESENTS CHECK TO MARION CENTER FOR HUMAN SERVICES - The Mattapoisett Lions Club recently presented a check for $500. to The Marion Center for Human Services to assist with operating costs throughout the winter. Making the presentation to Mrs. Dorothy Matthews, Director of the Center, were William A. Wood, King Lion, and Piatt A. Newell.

Mrs. Matthews noted that estimates by the National Council on Alcoholism indicate that "substance abuse" has become a widespread problem in the United States..... Marion, Mattapoisett, Rochester, and surrounding communities are all a part of the Council's statistics. She said there is a continuous effort at the Center to provide these towns with a full range of services in the field of alcohol and other drug related problems, as well as in areas of family and social problems.

Mrs. Matthews also pointed that as a result of public education, attitudes toward problem drinking has changed; concerned citizens now realize that alcoholism is not a moral weakness. Recognizing "substance abuse" as a "treatable illness" MCHS's "mission is one of healing through counseling, and intervention and prevention through education". Synonymous with this purpose is PRISM (Personalized Rehabilitation in Self-Motivation), a project which includes one to one and group counseling, and education in area schools and other interested organizations. The Center continually offers community oriented programs, including educational workshops, self-enrichment and discussion groups, and a youth group.

Marion Center for Human Services is a non-profit organization, located at 335 Wareham Road, Marion. The Center is open from 8:30 A.M. to 10 P.M. Monday through Friday, and from 9:30 A.M. to 1:30 P.M. on Satur-

GREAT DECISIONS SERIES TO START

How much do you know about Human Rights abroad? Do you grasp all the ramifications of the Sadat-Begin-Carter conversations? Are you informed enough on World Energy and its dilemmas to go to the polls?

Many of us are not as well informed as we'd like to be or perhaps even should be on these matters as well as others affecting our world.

Not only that, but many feel that perhaps it doesn't matter much because our voices cannot be heard in Washington.

But you can have a voice in U.S. Foreign Policy! You can affect and gradually effect legislation!

If you've been looking for a way to strengthen your knowledge of important issues in foreign policy and would like to have an opportunity to express your views, GREAT DECISIONS '78 is for YOU.

WHY GLORIA STEVENS?
by
Diane L. Oldfield

Most people who try to diet at home fail. Why? Simple. First of all, most people use the wrong diet; it isn't nutritionally balanced. Second, they need motivation.

Well, then, I was asked, I went to another place not yours, and they gave me a diet. I lost weight but gained it all back again. They could care less about me. They said it was my fault.

That's the difference between Gloria Stevens and the other places. Gloria Stevens cares. Not only do we give a nutritionally balanced diet, we have OUR OWN REGISTERED DIETICIAN, but we motivate you to stay on it and then maintain your weight.

That's the difference, our professionalism and the fact we really are professional.

Next time I'll write about the fun of being a Gloria Stevens member.

COMMANDER'S NOTES

I want to express my personal thanks and appreciation to everyone who braved the cold weather and conditions to attend our January bean supper and made it a success. Thanks again for your support.

Our next bean supper will be held on Saturday, February 25, at our Post headquarters on Depot Street, Mattapoisett. I hope that you will continue to attend and enjoy our suppers. Anyone wishing to obtain tickets in advance may do so by calling John N. DeCosta, 758-2310, or Elmer Sylvia, 758-3309. The time of the supper is 5:30 P.M. We will also be having a bean supper on Saturday, March 18.

Our next regular monthly meeting will be held on Wednesday, February 22. I again ask that members please set this date aside and plan to attend if at all possible. Please consider this as a personal invitation to participate in our meeting. We need the support of more active members so your Post can remain active and fulfill our obligations to our veterans and the community. Hope to see you there; you could renew an old friendship.

Stability

WHAT HAPPENED TO IT? Editorial, D.C.J.

President Jimmy Carter had announced that one of his prime goals is a zero based budget for the federal government. In other words, the government should live within an income like people must. How the professional politicians must laugh at such naive thinking.

Small towns once did this, Until "easy" state and federal money forced the sickness of the cities out to the small communities, we lived as if the money we spent belonged to us. We once realized that a budget is the division of income and not just a total of a list of desires. To a home owning wage earner a budget is allocation of what is left after taxes have devoured the bulk of earnings. The difference between living within an income and adding up a list of needs to obtain a grand total is a completely different concept. It could conceivably amount to a 20% increase in a single year. This chilling difference heralds the approaching finish of private ownership of homes and business even in the small towns in New England.

Jimmy Carter is aware that inflation riddled dollars are not unlimited unless, of course, you work for the government.

Little League Basketball

The Purples and the Blues, both a 4 win record, played an exciting game on Monday, January 30. The Blues had a 5-1 lead early in the game but Purple came back to tie 5-5 just before the half. In a close game all the way Blue captured the victory 20-19.

In another close game Red and Black were tied 9-9 at the end of the third. Red went on to win their first game of the season 11-9.

At the half we saw Green leading White 8-7. They took turns leading through the 3rd and 4th and Green got an edge and won 17-13. We saw an excellent long shot in that game by Greg Louden.

On February 2 we saw Orange lead the whole game against the Golds for a 21-16 victory in a very exciting game.

Green lost to the Purples 20-11.

Also, anyone missing a hat, it could be in the lost and found bag which is at the score and timekeeper's table.

We're looking forward to seeing all the Cubs and their families at the Blue and Gold Banquet Thursday, February 9th, at 6 P.M. at the Congregational Church Hall. Mary Hillman is preparing a delicious dinner and we have a great evening planned. Please don't forget to bring your plates and cutlery. Let's break bread together and celebrate the forty-eighth birthday of Cub Scouting. See you there!

REMINDER: Sunday, February 12, is Boy Scout Sunday. All Scouts and their families are invited to attend the 9:30 A.M. Mass at St. Anthony's Church. Scouts and leaders will assemble in the church hall at 9:15. We hope to see everyone there so that together we can give thanks for all that we have.

Boston Ballet Fri.

Residents of the entire Greater New Bedford area have an opportunity at 8:00 P.M. on Friday, February 10, to attend a performance of the Boston Ballet Company dance group, "Ballet Too!" at the Bristol Auditorium at Old Rochester Regional High School. There is no advance sale and the doors will open at 7:30 P.M.

The program will include Peter and the Wolf, Il Cardilino (music by Vivaldi), Pequita's Pas de Trois, and the Peasant Pas de Deux from Giselle.

The public performance climaxes a week of activity at Old Rochester in which approximately 80 students from the junior high school and 40 students from the high school participated in a 3-day workshop with members of the troupe. There had also been a demonstration by Ron Cunningham, principal choreographer for the Boston Ballet, and a workshop for teachers.

This is a project jointly funded by the Massachusetts Council on the Arts and Humanities and the National Endowment of the Arts and administered by the Massachusetts Arts and Humanities Foundation, Inc. Matching funds from school committee appropriations in the amount of $500.00 and the extraordinary generosity of the Marion Lions Club in donating $125.00 made it possible for the school to bring this unusual opportunity to the students and the community.

SMU THEATRE COMPANY

"Rosencrantz and Guildenstern are Dead" is the next production of the Southeastern Massachusetts University Theatre Company, set for Friday, Saturday, and Sunday, February 10, 11 and 12. Curtain goes up at 8:00 P.M. in the SMU auditorium.

"Rosencrantz and Guildenstern are Dead" is Tom Stoppard's world-famous comedy about the two attendant lords who are caught up in the tragedy of "Hamlet" without really knowing it.

"Brilliant word play, slapstick comedy, plus strangely dramatic passages are combined to give the play its unique quality," according to Angus Bailey, director of the SMU production.
